

OIL TEST BN

Test Kit to check main parameters of your lube oil

- Base Number Test - alkalinity reserve of engine oils
- TBN / BN

The oil test case BN contains in addition to TriboIron 2.0 the main test – BN base number – to determine the quality of your lubricants onsite.

With TRIBOMAR products at your side you get the expertise to help yourself controlling the operational conditions of your machinery equipment.

The new developed oil test case contains the test devices which enables engineers to test the most important parameters. This means a reliable indication about the performance of the engine oil at any time without a professional lab aside. Improved features on testing and handling are providing to the field engineer an easy to use test equipment with repeatable accuracy.

Consumables:
#1059, #1027

Order No.: 1615
